OPENING & CLOSING INFORMATION

Opening/Closing Monitoring is an optional feature that you subscribe to. Paragon Monitoring Center monitors the times each day that your alarm system is turned on (armed) when you close up your business and turned off (disarmed) when you open up your business. Therefore, when we refer to opening and closing times, we are actually talking about the times that you turn your alarm system OFF and ON.

Name _____

Dealer Name _____

Time Zone _____ (Central station is located in Pacific Time Zone)

Alarm Acct. # _____

OPENING AND CLOSING TIMES

(DISARMING) (ARMING)

Monday	_____	_____
Tuesday	_____	_____
